We know that things don't always work out as planned, sometimes for the better, sometimes not. This report is an opportunity for you to reflect on the experience and help make it more efficient and effective in the future. Also, while we are not looking for a lot of words, we are looking for a lot of content, so numbers and specific detail are really important. **You may fill in this form and mail it to MEEA, P.O Box 220983, Saint Louis, MO 63122 or download a form at <https://meea.org/educator-resources/environmental-education-grants/>, fill it in and send it by email to moylan@meea.org.**

1. What audience did you reach? Please provide numbers and demographic (age/grade, location, income, ethnicity, etc.) information in the space provided.

2. How is your audience different in its knowledge, attitudes or behavior (personal, economic, civic) in a specific area as a result of your efforts? Please use the space provided.

3. How do you know they are different? Please use the space provided.

4. What would you do again? Please use the space provided.

5. What would you change? Please use the space provided.

6. Please include 1 to 3 photos illustrating the work you did with the grant, and attach a signed copy of the MEEA Photo Release Form found at <https://meea.org/educator-resources/environmental-education-grants/>
