

Dear Missouri Green Schools,

I am pleased to submit a letter of commitment to recognize *[[school name]]* participation in the Missouri Green Schools program. *[[school name]]* will work to establish a Green Team and use the Sustainability Tracking & Roadmap Tool (START) to track our progress in the journey to becoming a green and healthy school.

As part of our commitment to the Missouri Green Schools program, our school has elected *[[main point of contact name(s)]]* as a representative to the Missouri Green Schools program.

In submitting this letter of commitment, I recognize that our school joins a state-wide community of schools that sets goals, acts, and makes progress towards a world where every student attends a green and healthy school.

Signed,

Head of school or district

(Please email a copy of your signed letter to mgs@meea.org when complete.)
